2018 Seminar Committee Update

Fellow Mariners,

It is my pleasure to have been selected to be the 2018 Fort Lauderdale Mariners Club Seminar Committee Chairman. The chairperson is an important club position but the vital component to a successful seminar program is the commitment of time and effort by the 20+ members of the seminar committee. Our long standing committee members (and recent additions too) are a dedicated group to be proud of and it is they who make each successive seminar more successful than the last.

With recent changes to the committee roster, there may be opportunities for new persons to join the committee. If any active member of the club would like to be considered to become a seminar committee member, please contact me directly by phone or email. Potential candidates will be reviewed by the committee based upon the sub-committee needs and the long term continuity goals of the seminar committee.
