## **ART CAMPBELL OUTSTANDING MARINER AWARD**

The second Art Campbell Outstanding Mariner Award was awarded to Ted Crosby. Ted was one of the 6 brave members that organized the very first Fort Lauderdale Mariners Club Marine Insurance Seminar held in 1989. The award honors Ted's devotion to the club and the countless hours Ted has volunteered to make the club what it is today.

## **MARINE INDUSTRY CARES FOUNDATION CASINO NIGHT**

Fort Lauderdale Mariners Club recently sponsored a table at the MIFC Casino Night which raised money for the foundation. The foundation is a non-profit organization that brings the maritime and local communities together to raise money and awareness for local charities supporting children and families.

Imperial Stout, cappuccino, espresso stout, or chocolate stout and try it with Whole Foods chocolate truffles ( in the red box).

If you like local think Funky Buddha Nib Smuggler. The rich dark roasted flavors and bitterness of Imperial Stouts are an interesting contrast and complement to all types of chocolate.

It goes without saying roses and champagne are still requirements even if you have that most remarkable beer and chocolate pairing. Of course the research is the best part of selecting the right beer.

After Valentine's Day you can make vanilla ice cream and Stout floats. Don't let your spouse catch you with exploding beer and ice cream going everywhere and an impish grin as your putting it together! Even better with a chocolate espresso stout.

Enjoy!

## ART CAMPBELL'S WORD OF THE MONTH

Shake a Leg

The term was used to check the gender of those still in the hammocks. The lack of space below decks resulted in wives sharing hammock berths with their husbands. When an officer would go below to rouse the seaman for duty, he would often holler "show (or shake) a leg." The term came to mean move quickly or make haste.
