The Young Professionals of Yachting is Looking for Mentors!

The mission of the Young Professionals of Yachting Mentorship Program is to help our members realize their full potential by pairing them with valued Mentors within our Maritime Industry. By facilitating mentoring relationships we hope this will foster opportunities for reflection and self-examination and teach our members practical leadership skills that can help them advance within their chosen profession.

If you are interested in being a mentor - or just learning more about the program, please contact Kate Murphy at (Kathryn.murphy@alliancemrm.com).

A Mentor Questionnaire is included in the back of this month's newsletter.

The Story of the Historic Maxwell Room

Situated on one of the oldest sites in Ft. Lauderdale, the Maxwell Room has a long and varied history. First erected in 1925, the structure was named the Maxwell Arcade for its developer, Fred Maxwell. The Arcade was, and remains today, a premier Boom period example of classic Mediterranean Revival architecture.

Since then the Mediterranean Village had housed many notable businesses, from photo shops to attorney's offices, restaurants to recording studios. When the Andrews Avenue bridge first opened in 1905, allowing easy access to the south side of the New River, Ft. Lauderdale experienced a rapid expansion. Soon, a Seminole camp neighbored a fish packing house on the site, and by 1919 the city's first public tourist camp occupied the site, temporary abode of many "tin can tourists."

Today, the brick arches and colonnades of the Maxwell Room seem to harbor countless reflections throughout its years, from 1925 to the present. It's a reminder that while the world has changed and grown at a fast-pace, some things retain the charm and elegance of bygone days.

Dear Michelle & Fort Lauderdale Mariners Club,

On behalf of the children and families we serve, thank you so much for your contribution of \$1,000 to Shake-A-Leg Miami. Your Support enables us to continue to change lives one sail, kayak and boat ride at a time.

Each year, Shake-A-Leg Miami provides over 10,000 people with an opportunity to access the Bay in an inclusive and universally accessible environment in order to improve their health and well-being. Whether it's a child with autism, a disabled U.S. Veteran or an adult with physical challenges, the impact that your gift makes on their lives is evident in the smiles on their faces.

Hurricane Irma took out our docks and fleet of handicap accessible sailboats. We are very grateful to you and everyone who has come forward to help. We are proud to say that we have repaired temporary docks and restarted our programs.

This year, we have many exciting programs and activities, please come down and join us as we continue to use the sea to enrich the lives of people with disabilities. Thank you again for your support and engagement. Please feel free to reach out to me with any questions at harry@shakealegmiami.org. I look forward to keeping in touch and hope you will come visit us soon.

Sincerely,

Harry Horgan
President

Thank you for your ongoing support!
In appreciation of your support, we would like to invite you & your members to visit any time and offer a sunset cruise on Biscayne for up to 30 members.
